

Ladies Football Reports

U14 Girls

Carna/Rosmuc v Clifden CS

Date: November 22nd 2018

This game was played in very cold weather conditions which made it difficult for both teams. The game was level at half time, but the introduction of Molly Boote at half time made a huge difference as Clifden controlled the second half. Top scorer was again Grace Conneely. Clifden ran out easy winners in the end by a total of 12 points.

Player of the Match: Stephanie Conneely

U14 Girls

Cheathru Rua v Clifden CS

Date: December 6th 2018

The Clifden girls started this match brilliantly with scores from star forwards Grace Conneely and Martha McDermott. The return of Robyn Flaherty to the full back line was essential as she cleared every ball that came her way. With recent injuries meaning Clifden were missing a lot of players the team were doing excellently to be one point up at half time having played with a strong wind.

Molly Boote was hard working at centre back while Captain Aoife Sheridan controlled the defence. Stephanie Connelly, one of our many talented first years, had a fantastic performance in the midfield. Cheathru Rua made use of the wind advantage in the second half scoring five goals. This could have been more if not for the excellent goalkeeping abilities of Amy Walsh.

Final Score: Clifden 4-7 Cheathru Rua 10-7

Player of the match: Martha McDermott

Senior Girls:

Cheathru Rua v Clifden CS

Date: December 6th 2018

This was the first game of the year for our senior team. Team captain Roisin Mannion decided to play with the strong wind in the first half. This paid dividends as the forward line made full use of the elements. Roisin Gavin, Roisin Burke and Grainne King all got their names on the scoreboard in the first ten minutes. Leaving certs Amy Gannon and Eimear Roche led the team from centre back and centre forward. Clifden led by 7 points at half time but were aware that the wind would be a big factor. Megan Walsh and Ciara Nee had complete control in the full back line and provided great protection for goalkeeper Edwina Mannion. Cheathru Rua came back into the game coming within 3 points of Clifden but this team was only getting started. Goals from Roisin Burke and Roisin Mannion followed by points from Amy Gannon, Rebecca Nee and Emily McConway left no mistake on the score line which saw Clifden winning well. A great performance from the senior girls who show great potential for the coming years as this is a young team containing only 4 leaving cert students.

Final score: Clifden 9-9 Cheathru Rua 6-8

Player of the match: Roisin Mannion
